Re: Petition to revive unintentionally abandoned application

Dear Petitions Attorney,

According to the decision made by the USPTO, the Petition to revive unavoidably abandoned application for the above-identified application was dismissed. Applicants would like to file a Petition to revive the unintentionally abandoned application under 37 CFR § 1.137(b).

The Fee Transmittal together with the Credit Card Payment Form PTO-2038 for Issue Fee for the subject application was mailed to the USPTO via UPS on April 29, 2003 and received on time by the USPTO prior to the due date, May 12, 2003. The UPS delivery notification indicated the parcel was delivered to the USPTO at 9:34 AM on April 30, 2003 and signed by Mr. Brown. However, the prepaid return postcard indicated that the parcel was not directed to the proper office until May 22, 2003. As a result, the issue fee was not charged on time.

We believe the delay of the parcel to the appropriate office was possibly due to the address change of the PTO during that period of time, which was between April and May. Since diligent effort was made to duly pay the issue fee, we hereby request to revive the unintentionally abandoned application.

The Commissioner is authorized to charge the required fee in the amount of US\$1330.00 in connection with this application to: Deposit Account No. 50-2620 (Order No. 9048-US-PA)

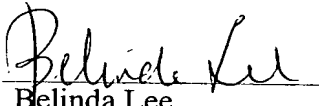

Further, other documents, listed as below to support our petition, have been mailed to the Petitions Office earlier when filing the petition to revive unavoidably abandoned application.

- (1) Issue Fee transmittal
- (2) Credit card payment form PTO-2038 for issue fee
- (3) Delivery Notification from the UPS
- (4) Certificate of mailing via UPS
- (5) Notice of Abandonment
- (6) Prepaid postcard returned by USPTO

Thank you for your attention and assistance in this matter. If there is any problem, please feel free to contact me.

Respectfully Submitted,
JIANQ CHYUN Intellectual Property Office
